

Local Teacher Wins \$40 on Radio Show

Students of Mrs. Richard Bowdey's sixth grade class at Greenwood School had an opportunity to tie in an actual experience with their class room work and at the same time watch their teacher win \$40 on a radio program.

Mrs. Bowdey's class has been studying communications. They've built their own control booths, written scripts and recorded them on tape.

This week, Mrs. Bowdey took the whole class of 37 students to NBC's headquarters at Sunset and Vine in Hollywood. During the trip they visited several of the radio and television studios at NBC.

The students were present at Walter O'Keefe's broadcast: "Double or Nothing." Two of the students, Mark Eubank, son of Mr. and Mrs. D. E. Eubank and Joyce Cannon, daughter of Mr. and Mrs. Joseph Cannon, 1328 Greenwood won two dollars in an interview prior to the regular program.

During the radio show the students were ineligible to compete. It was suggested that perhaps the teacher would like to participate.

"Take Mrs. Bowdey," shouted the students. She won \$40 by answering questions in the popular music category.

Parents and friends who accompanied Mrs. Bowdey and the children on the Hollywood trip were Mrs. Reno Maddock, 1617 Madrid; Mrs. D. E. Eubank, 816 Crenshaw Blvd.; Mrs. K. L. Christofferson, 3516 Emerald St.; and Mrs. Ann Howard, 1404 Beach.
